**RECORDS OF PROCEEDINGS
CLARIDON TOWNSHIP
REGULAR MEETING**

January 3, 2022

PUBLIC COMMENT

Melanie Yatsko, Old State Road, suggested to have future members of the Cemetery Beautification and Restoration board discuss and decide if tall/overgrown cemetery shrubs should be removed or trimmed.

Dennis Kellogg, Taylor Wells Road, thanked the BOT again for allowing the members of the Claridon First Congregational Church to meet at the administrative building every Sunday, while the interior of the Church is being repaired (from a recent structural collapse).

Mr. Kellogg also asked why the BOT no longer offers Zoning Rules and Regulations printed books for sale. Mr. Tiber responded that since the Zoning Rules and Regulations have been posted online for free (for many years) there has been no need, or requests to have printed copies for sale.

Mr. Kellogg also asked/suggested if the Fiscal Officer could specify which bills and their exact dollar amounts have been paid during approval of bills (during future meetings).

Ms. Jolly responded that going forward she will gladly state more specific description of which bills and their dollar amounts have been paid.
